Chi siamo

Trafilea (n.)

/ tra·fi·la /

Italian word referring to the bronze dies used to extrude pasta dough into various shapes.

We are La Trafilea

Fresh Pasta Makers

La Trafilea is a wholesale and retail fresh pasta business located in Gowanus, Brooklyn. It was established by Jiselle & Luigi Speranza in 2019 with the goal of providing customers with the highest quality & freshest pasta available. Our team has over 15 years of experience working in restaurants and mastering the art of pasta making in order to create a product made with skill, love & tradition.

Our Ingredients

The Start of the Perfect Product

At La Trafilea we know that ingredients are the most important part of a high quality product. That is why we import flour and fresh potatoes from Italy. We use regionally sourced

eggs and local ingredients for our flavors & fillings when possible. Most importantly, all of our products are made to order, which ensures that they are as fresh as possible upon arriving to your kitchen, restaurant or store.

Small Batch Feel

Our mission is for every chef and customer to feel as though we are creating a product just for them. We offer the ability to choose the flavor, filling & shape—delivering to you, the exact pasta envisioned for your menu. If there is something you would like and do not see, ask us. Our team will explore the possibilities.

Our process does not end when the pasta leaves our shop. We have worked to provide the best storage and packaging solutions, which ensures that the pasta leaves our facility fresh and stays fresh right to the table. We will work with you and for you so that every customer leaves your restaurant saying they've just eaten the best pasta they've ever had.
